

Thank you for your continued support and to Harry for his commitment to liaising with the Coop and delivering the donations from both venues.

**November - 150th Anniversary of St James**

We are starting to prepare for this special occasion and invite people to see if they have any memorabilia relating to St James Church. When we are ready to collate items for an exhibition, any photographs or documents will be copied and the originals returned to their owners. Any other suggestions for this celebration will be welcomed.

**Sponsored Skydive**

Rev. Stephen Martin and Ann Whitely are to undertake a skydive on July 8th. All costs are being met by Stephen and Ann. Funds raised are to be divided between Willowburn and St. Cuthberts hospices. If you would like to sponsor this event you will find forms at the back of church.

**A prayer for Generosity**

God of grace, mould us in your image and give us a spirit of generosity that seeks nothing but to give, nothing but to serve, and offers our hearts, our whole selves to you, the giver of all things. Amen

**St. James Church Burnopfield and Dipton.**
