In view of the holiday season approaching could anyone knowing dates when they may not be available between May and October please let Jennifer know. This will help when organising the various rotas for the next few months. Thank you

November - 150th Anniversary of St James

We are starting to prepare for this special occasion and invite people to see if they have any memorabilia relating to St James Church. When we are ready to collate items for an exhibition, any photographs or documents will be copied and the originals returned to their owners. Any other suggestions for this celebration will be welcomed. A working party is being formed to organise the display in church. If you wish to help, please see Barbara Brewis.
